08-11-032-002-10 does not exclude split to 002-12. The land contract which creates 002-12 does not close though.

08-11-032-002-12 does not close on split or on land contract. As written the property line goes through the larger pole building and excludes the two bins and smaller poll building that are assessed to the property.
