08-13-034-011-20 does not specify point of commencement which should be the north quarter post

08-13-034-011-00 has a vague point of beginning, this error comes from the survey of Golden Shores Site Condominium which incorrectly places the location of the NE 1/4 post at a point 50ft south of the real post. There was no re-monumentation certificate filed on this corner along with the condo.

08-13-165-001-00 thru 014-00. The condominium boundary is apparently in error. Its point of beginning is shifted about 50 feet north of where the units actually lie. No land corner recordation certificate was filed to indicate a movement in the corner associated with creation of condominium. Currently mapped section corner is from current certificate. This error has been referred to the Re-Monumentation Committee for review.
