08-12-034-003-01 needs to spell out the first exception as it was deeded and surveyed and include gap parcel to its east.

08-12-034-005-00 has text errata on the end of the description.

08-12-034-008-20 has a known overlap with 007-10. The former railroad right of way on was not excluded on deed to Burk Farms in L.653-112. Also it should not include parcel west of the lake in section 27 which is on deed to Barber and not sold to Burk Farms.

08-12-034-010-00 should not include land underneath Indian Lake which is not on original patent. It also needs to be described as deeded and has been surveyed for consolidating notice of claim in R#1160446
