08-15-110-031-00 second description is the whole SW 1/4 which I don't think was intended.

08-15-110-025-00 does not close because of a swap in digits on second to last course. 329.25 feet should be 239.25 feet.

GAP in block 3 Village of Woodland owned by Carl & DeLoriss Pike in L.294-468.

GAP in Block 2 Village of Woodland owned by John & Marian Sutherland in L.329-139.

GAP occupied by Stowell-Kauffman to the west.

08-15-110-200-02 is missing one course and claims Thatcher Street which has not been vacated.

08-15-015-300-05 is assessed to the township, but I show that the old depot yard is within the boundary of the village.

08-15-110-216-00 claims street which has not been vacated.
